April 6th 2019

By Elena Dajero

ELENA DAJERO

Thank you so much for choosing to participate in my Senior Project. As a senior in the GSWLA at Tallwood High School, I am very grateful for all of the opportunities I have encountered that has allowed me to create an impact on my community. My senior project focuses on "The Impact of Americanization on the Youth Culture of the Philippines through Social Media". I decided to create this Summit so that other students could participate and learn about the Filipino Culture and how it has changed. After countless number of hours and days, I created this event for students like you, I hope you enjoy!
